6.8" TouchScreen CarPlay Bluetooth USB Aux Nav Ready

Siri with Apple CarPlay

Easily access the iPhone features you know and love, just by talking to Siri. Music, maps, phone calls, and messages are all under your control.

Navigating with Apple CarPlay

Tell Siri where you're going, and it will give you real-time directions as you drive.

Voice Control with Android Auto

Use voice commands to dictate messages, take phone calls or get help from Google Maps. You can even control music playback, just by talking.

Navigating with Android Auto

Use Google Maps to get directions and traffic updates whenever you need them.
